SUBJECT: MEDIA REACTION: COPENHAGEN SUMMIT, NOBEL PRIZE
FOR POTUS, KASHMIR; NEW DELHI.

This countrywide cable reports on relevant media
reaction/opinion from India's large non-English press.
The Mission reports on English-language media via email
through the daily "Early Edition" summary.

COPENHAGEN SUMMIT

11. "WRANGLING OVER CARBON EMISSIONS," op-ed in December
15 right-of-center Hindi daily, DAINIK JAGRAN:
"Industrial countries want to get the poorest nations
on their side to pressure India and China to cut their
emissions. The idea is to destroy the economic
challenge posed by these two big emerging countries.
India and China should turn the tables by getting the
poor nations together to impose a carbon tax on the
rich."

NOBEL PRIZE FOR POTUS

12. "ADVOCATING WAR, TO BRING PEACE!" editorial in
December 15 centrist Hindi daily, DAINIK BHASKAR:
"Obama's acceptance speech in Oslo was a complete sham
-- marking a new low in American hypocrisy. If the
speech is any indication, the U.S. bullying of the
world is not going to end any day soon."

KASHMIR

13. "NEW TENSION IN THE KASHMIR VALLEY," editorial in December 16 left-of-center Marathi daily, AAPLA MAHANAGAR: "The death of two allegedly raped women has added to the tension in Kashmir. Anti-India sentiments now run deep in the strife-torn region, and human rights groups and separatist leaders have accused the Indian military of using sexual violence to cower the local population. That is not a very healthy situation for India or Pakistan."
